Big River: The Adventures of Huckleberry Finn

A rollicking musical adaptation of Mark Twain's *Adventures of Huckleberry Finn*. The King of the Road, Grammy and Tony Award winner Roger Miller, composed an incredibly jubilant score of Cajun, gospel, folk, country and blues music which shepherds the audience on a journey down the Mighty Mississippi with Huck, searching for a new life and Jim the runaway slave, searching for freedom. This tale of adventure and self-discovery is an American classic that captures the rhythms, sounds and spirit of life on the big river and provides a brilliant celebration of pure Americana.
